A Review from Thomas Sheverly

I just loved this fast-moving pirate thriller. The story moves at dizzying speed from one terrifying battle scene to the next, and you really feel as if you are on the ships with these evil thieves and smugglers. The storm scene at the beginning leaves you both exhausted and terrified. I can name **it** as the part which had the biggest **impact** on me. It took a while to get over the feelings it gave me. Overall, I think the script, casting and visual effects were very successful, so I definitely recommend it to anyone who likes thrillers.
